

Facilitated by N2 Learning in partnership with the Texas Association of School Administrators

APL participants will engage in work that:

- Applies the commitments of The Texas Promise to complex campus decisions
- Strengthens instructional leadership and systems thinking beyond daily operations
- Develops leadership identity and the capacity to lead and grow adults
- Expands perspective through cross-district collaboration
- Prepares high-potential leaders for the principalship
- Cultivates learning organizations that sustain long-term impact

Who should attend?

Ideal participants include assistant principals who:

- Are preparing for the principalship
- Demonstrate a commitment to building adult capacity and leading teams
- Seek meaningful engagement in cross-district professional networks
- Are invested in advancing the commitments of The Texas Promise

Logistics

- Includes six, half-day sessions throughout the school year
- For session dates and registration details, visit: www.n2learning.org
